# 338 shoulder badges

---

Worn on **both sleeves** of the **jacket**. The top of the badge is to be **2 cm below the shoulder upper seam**.

# Achievement and certification badges

## FITNESS

Bronze 	Silver 	Gold 	Excellence 
---	---	---	--

## MUSIC

Basic 	Level 1 	Level 2 	Level 3 	Level 4 	Level 5 
---	--	--	--	--	--

## MARKSMANSHIP

Marksman 	First Class 	Expert 	Distinguished 
--	--	---	---

The fitness badge, the marksmanship badge and the speciality is worn on the bottom of the left sleeve, immediately above the top of the cuff.

The music level badge is only worn on the left sleeve, 1cm above the speciality badge, the fitness badge or the marksmanship badge.

## SPECIALTY

Emergency First Aid 	Standard First Aid 	Glider Pilot Front Seat Familiarization 	Glider Pilot Back Seat Familiarization 
--	---	--	---

# Air Cadet Proficiency Levels

**Centred on the left sleeve of the jacket**, the bottom of the badge immediately above the top of the cuff.

\*\*If a cadet achievement and certification badge is worn, the Proficiency Level Badge is worn 1 cm above the cadet Achievements and certifications badge(s).

# Summer training badges

## SUMMER TRAINING • INSTRUCTION D'ÉTÉ

Summer courses badges shall be worn with the participation badges **on the right sleeve in the order that they are awarded**

# Staff cadet and international exchange badges

Staff Cadet	International Exchange	Oshkosh Trip
		

Worn with the CTC Qualification insignia on the right sleeve in the order that they are awarded. The first insignia awarded is centred immediately above the cuff of the uniform jacket. The second insignia awarded is placed immediately to the left of the first insignia, to the front of the sleeve. The third insignia awarded is placed immediately to the right of the first insignia, to the rear of the sleeve. The fourth, fifth and sixth insignia are placed immediately above insignia one, two and three forming a second row of insignia and they are placed in the same order as the first row. If a seventh insignia is awarded, it shall be placed immediately over the fourth insignia.

Only a maximum of seven insignia shall be worn.

# Pilot Wings

Glider Pilot

Power Pilot

Issued Glider Pilot / Power Pilot sewn (nylon thread) insignia shall be worn centred directly above the left breast pocket and horizontal on the cadet jacket and flight suit.

Glider Pilot / Power Pilot pin may be purchased and worn on the jacket and collared shirt when the jacket is removed, centred directly over the left breast pocket and horizontal.

Silver and Gold wire thread embroidered Glider Pilot / Power Pilot badges may be purchased by the cadet and are authorized for wear only on the uniform jacket in lieu of issued wings.

If a cadet successfully completes both Scholarships, only the Power Pilot Wings shall be worn. The Glider Pilot Scholarship CTC Qualification Badge shall then be worn with the other CTC Qualification Badges.

The Glider Pilot CTC badge is never worn with the Glider Pilot Wings.

# Pilot wings (continued)

**Left pocket**

# Duke of Edinburgh's award pin

---

**Bronze**

**Silver**

**Gold**

The Bronze, Silver or Gold pin awarded under the Duke of Edinburgh Award Program shall be worn centred on the right breast pocket, equidistant between the lower seam and the lower edge of the jacket pocket flap.

The pin is worn on the jacket only.

# Duke of Edinburgh's award pin (continued)

Previous designs of the Duke of Edinburgh Award pins are authorized for wear as awarded.

# Position of the badges -Left sleeve

2 cm

L'insigne de grade est porté centré, à mi-chemin entre le coude et la couture d'épaule supérieure.

The rank badge is worn centered, mid-way between the elbow and the upper shoulder seam.

# Position of the badges -Right sleeve
